

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

RESOLUTIONS.

[No. 1.]

Whereas, the territory of Iowa is deprived of a secretary by the recent death of the Hon. William B. Conway, late secretary of this territory; and whereas no provision is made by the organic law, or by any act of congress, to meet such contingency; therefore, be it

Resolved by the Council and House of Representatives of the Territory of Iowa, That Charles Weston be appointed a fiscal agent, and that he be authorized to take charge of all public funds, drafts or bills of exchange properly belonging to this department, and that he be required to make such disbursements as legally pertain to his appointment as aforesaid, taking proper vouchers for the same.

[No. 2.]

as though the same had been done by the first day of May eighteen hundred thirty-nine.

[Presented to the governor on the 29th November, 1839, and not approved and signed by him.]

[No. 3.]

[No. 4.]

PREAMBLE and Joint Resolution relative to the improvement of the Des Moines river.

Whereas, the Des Moines river seems to demand the attention both of this legislative assembly and of congress, for the following reasons, to wit:

First. On account of its position in the territory of the United States, and also forming the boundary of a portion of the state of Missouri. It will enter the probable limits of the state of Iowa in the north-western part, and running a southeasterly course through the interior of said limits, enters the Mississippi at the extreme southeasterly point of the same. Its central position between those two great rivers, Mississippi and Missouri, which must necessarily form the eastern and western boundaries of the state, points it out as the natural channel for imports and exports for the extensive and fertile country in the interior of Iowa and a portion of the state of Missouri.

Secondly. On account of its affording but few facilities for navigation, without that improvement of which it is peculiarly susceptible, being admirably adapted to the building of dams for the purpose of slack water navigation. The channel and banks everywhere afford suitable stone for the foundation

and structure of such dams as would be necessary for said improvement. Added to the importance of the navigation of said stream, would be the vast quantity of hydraulic power obtained by the construction of dams, which alone would be of incalculable value to the country through which it passes, being almost destitute of those advantages from other sources; therefore,

Resolved by the Council and House of Representatives of the Territory of Iowa, That our delegate in congress be requested to solicit and use his best exertions to obtain an appropriation by congress for the purpose of paying the expense of a survey of said river by a corps of engineers under the authority of the United States, and also for an appropriation of one hundred thousand dollars, to be made either in money or land, for the purpose of improving the navigation of the same.

And be it further resolved, That the governor of this territory be requested to forward five copies of the above preamble and resolutions, one to the president of the senate, one to the speaker of the house of representatives, one to the secretary of war, one to our delegate in congress, and one to the governor of Missouri, with a request that he will transmit a copy of the same to the honorable members in congress from the said state of Missouri, soliciting their aid in behalf of the appropriation for the proposed improvement.

Approved December 14, 1839.

[No. 5.]

Resolved by the Council and House of Representatives of the Territory of Iowa, That Charles Weston be requested to make and forward to the President of the Senate and Speaker of the House of Representatives of the United States, and to the honorable William W. Chapman, our delegate to Congress, each a copy of all memorials and resolutions of the last session, now in his possession, the object of which is to obtain the aid or action of Congress of the United States.

Approved December 23, 1839.

[No. 6.]

PREAMBLE and
Whereas, the Joint Resolutions relative to the unsurveyed lands.
Indians, in the country purchased of the Sac and Fox
the month of October, eighteen hundred

and thirty-seven, is rapidly populating by a respectable and industrious class of citizens, making large farms, building towns, and constructing extensive machinery, which must necessarily be divided and sub divided by the future survey of the government of the United States, the result of which will be loss, litigation, and serious difficulty, the never failing check to such laudable industry; therefore

Be it resolved by the Council and House of Representatives of the Territory of Iowa, That our delegate in Congress be requested to use his best exertions to obtain an appropriation for the survey of all the unsurveyed lands in the territory of Iowa to which the Indian title has been extinguished.

And be it further resolved, That the governor of this territory be requested to forward four copies of these resolutions, one to our delegate in Congress, one to the Speaker of the House of Representatives, and one to the President of the United States, and one to the commissioner of the general land office.

Approved December 24, 1839.

[No. 7.]

Resolved by the Council and House of Representatives of the Territory of Iowa, That the devices of the seals for the supreme and district courts, &c., as suggested by the honorable W. B. Conway in his communication to Mr. Wm. Wagner, are very appropriate and emblematic of the duties of the several courts to which they belong.

Resolved, That the secretary of this territory be and he is hereby authorized to pay Wm. Wagner, upon the delivery of said seals, such sums of money as is customary for such work, and that he be required to make the necessary distribution of said seals.

Approved December 30, 1839.

[No. 8.]

A PREAMBLE and resolutions to the Congress of the United States, asking for an appropriation for the improvement of a territorial road on the Des Moines river.

Whereas, The legislative assembly of last session passed a law authorizing the survey and opening of a territorial road, commencing at Keokuk on the Mississippi river, in Lee county, running thence upon the north bank of the Des Moines river, passing

through the towns of Farmington, New Lexington, Bentonsport, Columbus and Philadelphia; thence up to and terminating at Iowaville on the Des Moines river, formerly Iowa city, said road, if improved, must necessarily be of great importance both to the territory and the general government. Keokuk, the commencing place of this road, is the natural and most convenient depot for all the extensive Des Moines country, being situated at the foot of the Des Moines rapids and immediately above the mouth of the Des Moines river. This road, when finished, will afford great facilities for the transportation of mails, passing as it does through a number of towns and a densely populated country, terminating on the Indian borders, thereby affording the remotest of our inhabitants the benefit of mails.

And, whereas, This road passes over a number of tributary streams to the Des Moines river, which, at many seasons of the year, are backed up by the said river, making them impassable.

And, whereas, The improvement of said road is deemed to be of too much magnitude to be undertaken in the ordinary way of improving such roads; therefore

Resolved by the Council and House of Representatives of the Territory of Iowa, That our delegate in Congress be requested to use his influence in obtaining an appropriation of ten thousand dollars for the opening of said road.

Be it further resolved, That the governor be requested to forward one copy of this preamble and resolution to our delegate in Congress.

Approved December 31, 1839.

[No. 9.]

A RESOLUTION to provide for the appointment of supervisor to the printing of the laws of the present session.

Resolved by the Council and House of Representatives of the Territory of Iowa, That W. J. A. Bradford be employed to prepare for publication and to supervise the printing of the laws of the present session of the legislature, and to make an index thereto, together with marginal notes, and that he be allowed and paid the sum of *five hundred* dollars for said services.

Approved *December 31, 1839.*

[No. 10.]

RESOLUTIONS relative to the pay of officers and members, &c.

Whereas, The territory of Iowa at an early period of the present session of the legislative assembly, was deprived of a disbursing officer in consequence of the death of the honorable Wm. B. Conway; and *whereas*, the present secretary, in consequence of his recent appointment, together with a precedent which is strictly adhered to by the treasury department not to remit drafts, &c. to a disbursing officer until his letter accepting an appointment is received; and *whereas*, it is inferred from the secretary's communication, that he will receive no drafts before the adjournment, but that the receiver at this place will advance the means to pay the members and officers, provided the legislative assembly will indemnify him; therefore,

Be it resolved by the Council and House of Representatives of the Territory of Iowa, That general V. P. Van Antwerp, receiver of public moneys at the city of Burlington, is hereby respectfully requested to advance to the honorable James Clarke, secretary of the territory of Iowa, money sufficient to pay the members and officers of the present session.

And be it further resolved, That the faith of the territory is hereby pledged to general V. P. Van Antwerp for his indemnification for any advances he may make to the secretary of the territory to defray the expenses of the present session.

And be it further resolved, That the secretary of the territory is hereby instructed to refund the amount that may be advanced as aforesaid, out of any money appropriated by Congress to defray the expenses of the present legislative assembly immediately after the receipt thereof.

Approved January 1, 1840.

[No. 11.]

Resolved by the Council and House of Representatives of the Territory of Iowa, That our delegate in Congress be instructed to apply for an additional appropriation of fourteen thousand dollars, to defray the expenses of the present legislative assembly of Iowa territory.

[Presented to the executive January 8, 1840, not approved and signed by him.]

[No. 12.]

Resolved by the Council and House of Representatives of the Territory of Iowa, That John H. M'Kenny be the printer of the laws of the present session, and that he enter into bond immediately to the governor in the sum of ten thousand dollars, with sureties to be approved of by the governor conditioned that the said M'Kenny, and his heirs or legal representatives, print in pamphlet form in workmanlike style, fifteen hundred copies of all the laws passed and to be passed by the legislative assembly at its present session with an index thereto, and deliver said copies to the secretary of the territory within ninety days next after the adjournment of the present session.

Resolved further, That said secretary is hereby required to pay said printer for doing the said work the like prices allowed for similar work by Congress, and that he distribute the laws in like manner as the laws of the last session were required to be distributed.

Resolved further, That the supervisor of the printing of the laws is hereby allowed the use of the enrolled copies in the secretary's office, for the purpose of preparing copies for the printer, and that he furnish the printer with copies thereof as soon as possible, in the order in which they are approved by the governor, or become laws under the act of Congress, chapter ninety, approved March third, eighteen hundred thirty-nine: *Provided*, That the joint resolutions be printed in their order at the end of the acts.

[No. 13.]

JOINT RESOLUTION on the subject of post offices, &c.

Whereas, The legislative assembly of this territory have, at the present session, memorialized Congress for the establishment of a mail route on the national road from Du Buque to the southern boundary of the territory; and whereas, it is confidently believed that the same will be granted; therefore,

Resolved, That his excellency the governor be requested to forward one copy of this resolution to the postmaster general, and one to our delegate in Congress.

PREAMBLE and resolutions relative to the difficulties between the territory of Iowa and the state of Missouri.

Whereas, an unfortunate crisis has arrived in the difficulties hitherto existing between the state of Missouri and the territory of Iowa, in relation to the boundary line between the two governments; and whereas, the territory of Iowa, under any circumstances, would deprecate any military collision between the forces of said state and territory, fully believing that the most friendly feelings exist between the great mass of the citizens of the respective parties; and whereas, the organic law of said territory renders it impossible for the constituted authorities of said territory to accede to the propositions hitherto made by the citizens of Missouri, although they fully reciprocate the kind feeling

evinced by the late delegation from the county court of Clark county; therefore

Resolved by the Council and House of Representatives of the Territory of Iowa, That the officers now on duty on the part of the state of Missouri be respectfully requested to suspend all further military operations on the part of the said state until these resolutions can be submitted to his excellency governor Boggs.

Resolved, That his excellency governor Boggs be requested to authorize a suspension of hostilities on the part of the state of Missouri until the first day of July next, with a view of having the unfortunate difficulties now existing between the state of Missouri and the territory of Iowa adjusted by the action of Congress.

Resolved, That his excellency the governor of Iowa be requested to suspend all further military operations until the decision of his excellency governor Boggs may be obtained relative to propositions herein contained.

Resolved, That the governor be requested forthwith to forward a copy of these resolutions to the governor of Missouri, one to the county court of Clark county, and copies to the officers in command on the disputed ground, to be by them presented to the officers of the Missouri forces.
